FACT SHEET**

06R-4
BILL NUMBER

BRIEF TITLE	APPROVAL DEADLINE	REASON
Allowing 22 pieces of art to be placed on public property for a temporary display.	1/23/06	Support the arts and beautification of public spaces throughout Lincoln.

DETAILS

Reason for Legislation

The proposed resolution provides for 22 pieces of sculpture and other forms of art commissioned as part of the YWCA's StarArt project to be temporarily displayed on public property for a period of three months, starting in late January and extending through mid April.

Discussion (Including Relationship to other Council Actions)

These 22 pieces are part of a larger collection, consisting of 70 pieces, that was commissioned by the YWCA as part of the city-wide Star Art project. The pieces that make up this collection represent a wide variety of art forms. Individual artists submitted proposals and those that met the program criteria were publicly presented and sponsorships were solicited and secured.

Following the proposed public display period that will run from January through April, the YWCA will sell the pieces at a public auction. The funds generated will help to support the YWCA, a not for profit organization.

In concept, this project is similar to 2003's highly successful Tour de Lincoln project that was developed by the Lincoln Arts Council.

The sites for the 22 pieces of artwork that the YWCA is requesting be placed on public property have been reviewed and approved by the Parks Dept and the Public Works departments.
